The youth conference which has passed in last month gave possibility for fellowship to its participants. Especially it has concerned youth of Udomlya and V.Volochok. After Sunday service youth have quickly run on houses, had a bite and have gone in Volochok - the meeting begins at 16.00 - it is necessary to hasten. In Volochok also there were visitors from Moscow which have helped to hold this meeting. 9 persons from Udomlya and nearby 20 of Volochok took part in fellowship.

Youth was delighted with meeting - 2 hours have flown by imperceptibly. Games and competitions especially were pleasant. Upon termination of a meeting all have continued dialogue behind a cup of tea. It is time to part on houses, but it would not be desirable. There is a desire to meet again.
