

On August 7 in our rehabilitation center there will arrive the minister.

The center is in Mushino's village. It will be capable to accept to seven alko- or narcodependent people.

On Sunday church service on July 22 the head of service of rehabilitation Stanislav Markov told about center functioning, and also about participation of all church in this service.

Also the brother Artem Aleksandrov who at the beginning of this year went to work in the rehabilitation center in Vyborg shared his testimony. He testified about big God's blessings in this service and urged church to participate in this blessed work actively.
