

On September 25 there was tea drinking on small groups.

It was on the occasion of the completion of studying of the Ephesians. This book of the Bible taught us many things. Apostle Paul tells about many aspects of Christian life. On groups we could remember these manuals, and also share how we put them into practice.

On youth group there was a double holiday. The youth celebrated anniversary of the beginning of the service.

On group of Galina Rihter we had a guest - brother Dmitry from Novovoronezh. He is diacon in the Novovoronezh church. Dmitry also shared those blessings which they have in the service.
