

In the first day of New Year we had a special service.

This significant day we gathered to glorify the Lord and ask him blessings for the forthcoming year.

The pastor of church Igor Kudryashov led service.

He preached from 1 Thessalonians 5:16-18 "Rejoice evermore. Pray without ceasing. In every thing give thanks: for this is the will of God in Christ Jesus concerning you".

Sister Olga Davidov read the poem.

Brothers and sisters glorified the Lord with singing.

New Year's service
