

On June 15 we went to Vyshny Volochyok.

We were going to help our brothers and sisters in camp construction.

We loaded building materials and went to a way.

Backpacker, Ashmikh, and others. Backpacker, Gennady Gorbunov, briefly explained that it is

We built racks in tents.

The inhabitants of Christian camp will settle down on them

While brothers worked, sisters weren't idle too.

They made for us a tasty dinner

As it is good and pleasant to communicate at a table after work is made.

In a week the camp will receive the first guests.
