

On January 4 we had a family holiday.

The Sunday school organized this evening for the pupils and their parents.

Participants were divided into teams. The "Tumba-yumba" team showed their program.

Guests from Spain and Italy. Christmas is celebrated in their country

Our daily lives are inspired by the joy of the season. In our hearts, we have a special place for the Christmas season. We are grateful for the love and joy that the season brings. We are grateful for the love and joy that the season brings. [Video card for the](#)

The interesting story about Christmas was prepared by team from Poland.

Guests from the Czech Republic showed the cheerful program and treated all with sweets.

Ukrainians told about carol-singing and a celebration of Christmas in their country.

people even though we couldn't celebrate Christmas, but also learn a lot of interesting things how
