

On November 13 we celebrated Birthday of our church.

During the church service we thanked the Lord for His guidance all this time.

Children have prepared the festive program.

We reminded the first evangelism which has taken place on November 2, 1992.

The slideshow about history of our church has been shown.

After the church service we communicated to each other and had tea with tasty pies.

You can look at other video records from our church history at our forum on this link: <http://ba.plurion.com/487>
