

The middle of spring is the unique time when the nature wakes up from a winter dream. On May 1st we decided to visit the rehabilitation center in Nikulino to support people who pass the rehabilitation program.

We had 9 people in our team: Sergey Utin, Roman Zaytsev, Denis Podoprighora, Dmitry Kalmuk, Sergey Perevedentsev, Yury Nechayev, Alexey Bashkirov, Anatoly and Olga Manyukov.

There are 12 people - 7 men and 4 women (one woman was with the 10-year-old daughter)

Anatoly Manyukov prepared the encouraging sermon about God's love.

Optimism was very remarkable. God helped us in our trip and we received much positive

God forgave our sins. And we have to tell about His great love to other people.
