

On March, 19 our sisters have visited the rehabilitation center in Nikulino.

We carry out serious work, we serve the Lord therefore sisters of our church have responded to the invitation to go to the rehabilitation center in Vishniy Volochek with the encouraging program.

On the right is the woman, Svetlana Melnikova, who is a member of the rehabilitation center and is playing the guitar and singing.

Christian female visit was to tell girls who are on the rehabilitation program about life of the

In general the trip has turned out fruitful for both parties

and he said, people with crippled eyes in the state are really sad, however, the changes
