

Women service in church is a service of Christian women for women in church, at home and in a society in glory of our Lord Jesus Christ any work.

The primary goals:

To raise a role of the woman, as invaluable person who has been created and expiated by God;
To help women to deepen the belief, to promote their spiritual growth and updating;
To induce each sister to use the talents granted by God, uniting them with talents of other sisters and brothers, for joint service to God, church and people;
To unite women of church in the spirit of Jesus Christ for hardening of friendship, mutual support, a fruitful exchange of ideas and the information, rendering assistance in the decision of personal problems (spiritual, emotional, physical etc.);
To direct unique abilities of sisters on the decision of the problems facing church, to search for ways of active Christian service for women.
